Future Computer Educational Service (FCES)

Future Computer Educational Service

Introduction f FCES

The main function of th Organization is to provide hig er technical education in nominal charges for every group of society of Urban & Rural areas all over India and get success in computer revolution which is the main dream of Indian Govt. In present tim , some big Institutions are running their one-year or more than one-year programmer in higher charges. Due to which the middl class families of our Organization cannot afford the load of t eir charges. Our Organization studied their theme properly and decided to provide better higher te hnical education in computer

Inspirational Thoughts

"Live as if you were to die tomorrow. Learn as if you were to live forever."

Mahatma Gandhi ....

If you fail,never give up because F.A.I.L means "First Attempt in Learning."End in not the end : in fact E.N.D" If you get No as an answer,remember N.O.means"Next Opportunity."

A.P.J.Abdul Kalam.......

"May I stand firmly with the thought that in reality, through education, the aspirations of the national can be fulfilled."

Dr.Zakir Hussain............

"Time in not measured by the passing of years but by What one does, what one feels,and what one achieves."

Jawaharlal Nehru.........

"A great man is different form an eminent one in that he is ready to be the servant of the society."

B.R.Ambedkar...............

"My salute to this steely son of Mother India, Veer Abdul Hameed."

Veer Abdul Hameed........

"I salute the father of computer because he made a modern machine like computer."

Charles Babbage..........

"The highest education is that which does not merely give us information bu makes our life in harmony with all existence."

Rabindranath Tagore.........

Vision & Mission

Vision

FCES has a great vision to establish 1000 training center all over India through which 25000 students will motivate to the entrepreneurship start-ups and will start their own organization to lead employment

Mission

FCES is focused to make an eco-system for the better Indian Education System. We transform a training center into a higher-level study place with a huge number of students. We provide guaranteed profitability. We want to make the skill development training center Independent so that they can run their organization
successfully without any dependency
